## "OLIVIA"

Hi I'm Olivia! I'm a 1 year old (I think) Golden Retriever with loads of puppy energy! My family rescued me from an adoption center in Pataskala last year and now I'm living the good life here at Jerome Grand!

When I'm not busy trying to eat out of the sink or find plastic to chew on, you can find me running with my friends at the dog park or barking at absolutely nothing!

I might be the MOST loving dog you'll ever meet, so if you see me around please come say hi! I'm still learning not to jump but I'm getting a lot better and love to be pet by literally everyone!!
