# PET OF THE MONTH

*Meet Kellin*

G'day mate! My name is Kellin and I am an Australian Cattle Dog aka Blue Heeler. I am going to be 11 years old this month and yes I know, I look good for my age. Most people mistake me for Bluey, but that's ok because she is a cool pup, just like me. My favorite things in the world are my mom (dad is cool too I guess), my toys, going for hikes and treats. Did someone say treats?? If you see me around, I love to say hi to people but do get a bit scared around other dog friends. Hope to see you around!
