# Pet of the Month

*Snow*

Snow can be often found running around outside, full of excitement and playful nature. Despite her adventurous spirit, Snow prefers not to go out alone and loves having her mom or dad or sisters accompany her whenever she's outside. Whether she is chasing after leaves, pouncing on little insects, chasing after birds or just enjoying the fresh air, Snow's playful nature makes a fun adventure for herself and her family.

Snow is an adorable and energetic cat who loves to explore the outdoors. She enjoys playing with her older sister, Coco, and also messing up the house. She was born in Scotland and moved to Ohio in 2022 with her sister Coco and her hooman family.
