We have partnered with the Salvation Army and Angel Tree yet again for our annual holiday toy drive. Please stop by the leasing office from now until **December 13th** to pick up an Angel Tree tag on our Christmas Tree. Each tag will include an age group and wish list.

We will be collecting all donations until

## *Pet of the* **MONTH**

I'm Libbie! I'm a 3 year old black long haired Dachshund. I love going on walks but barking is my very favorite 😂 I have two human sisters but no other dog siblings.

Other than walks, I love playing fetch. I don't get it very often, but my favorite food is deli meat! In the warmer months you can find me in the Jerome Grand dog park playing fetch with my family and barking at dogs through the fence!
